ATTN: Zaheed Carrim Jnr.  
C/O: Builder's Mecca.

Dear Mr. Carrim! I pray you're having a lovely day! Thank you for all your help in the past. Thank you for your time in this – God Bless you.

At our centre in Moreleta we are fifteen full-time volunteers – who have committed our lives to helping others. As Christian missionaries **the core, essence and motivation of our programs** is the belief that a true relationship with God is the starting point for happiness and fulfilment in life.

### **Our projects here in Pretoria include such things as:**

- Constructing and maintaining a **pre-school** situated in Diepsloot, where we also implement **character development programs** for the children.
- Encouraging, comforting & praying for the hospitalized.
- Supplying **food for homeless /needy families** and other charitable institutions.
- Providing counselling and support for people in need.
- Youth outreach programmes.
- Weekly Bible studies.

### **OUR REQUEST:**

**As full-time volunteers we receive no financial compensation for our efforts** and carry out our mission, due to fund raisers and contributions of caring individuals & companies who help in various ways.

Thank you for your kind donation of:

- 50 litres paint (white, water based)
- 10 litres varnish
- 2 door locks
- 50 kg cement
- Wood glue

toward our mission projects. Our work is made possible because of people like you.

God Bless you. I pray you have a lovely day!

Sincerely  
Angel Odhav
