To a dear volunteer

*"We make a living by what we get, but we make a life by what we give"*

*- Winston Churchill*

It is with a heart full of gratitude that we thank you for your donation and time spent at our school for Mandela Day 2014. The children are always delighted at the wonders of people like you who without even knowing us are able to assist us. These are the values we aspire to teach our children too.

It was a special time for us, as our school is looking so good and we believe the new environment will enhance the learning that takes place and will also encourage the children to be excited about school and their future. You have shifted a generation.

Please visit us again, we would be humbled to have you there.

With love and kindness
